#### The President's Corner

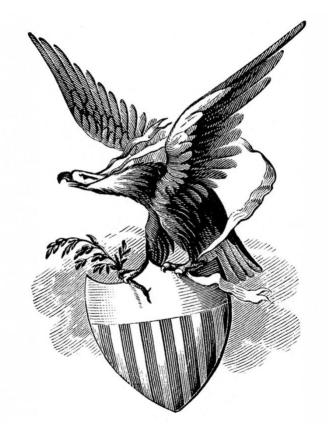

### By Larry Tatum

We have a special meeting on August 19th. We will be celebrating the 750<sup>th</sup> Meeting of the Delaware Crossing Chapter.

Our Chapter is older than 750 months, but since we didn't meet for several months during the COVID epidemic, this is the actual 750<sup>th</sup> Chapter Meeting. We are among an elite group to not only have had this large number of meetings, but we are flourishing as a top tier Chapter of the Sons of the American Revolution.

Thanks to our dedicated members, the Delaware Crossing Chapter sets the standard for how a SAR Chapter should operate. In every category, DX is always highly involved, and we strive to make not only our Chapter better, but we contribute to the success of the Kansas State and National Societies.

Plan to attend the August 19<sup>th</sup> Chapter Meeting and celebrate this rare milestone achievement with us.

Walt Schley is presented the Certificate of Appreciation by Larry Tatum

#### **Emotional and Educational Program**

The July Chapter Meeting program present by Compatriot Walt Schley of the Henry Leavenworth Chapter was both emotional and educational. It was a program about the Purple Heart Medal and some of its recipients including Walt Schley.

The Purple Heart is awarded by the military services of the United States in the name of the President to those significantly injured or killed while serving in action after 5 April 1917. There was some difficulty getting it established until General Douglas McArthur gave it his significant attention and issued a new design with the image of George Washington on the two hundredth anniversary of the birth of George Washington. The first recipient of the modern-day Purple Heart was General Douglas McArthur.

The Purple Heart replaced the Badge of Military Merit first established by George Washington as Commander and Chief by order on 7 August 1782. One of the most famous civilians to earn the Purple Heart was Ernie Pyle, a war correspondent who covered World War II from the trenches of Europe before being killed in the Battle of Okinawa.

Audie Murphy received the Purple Heart three times during World War II. He also received every combat award for valor available from the Army --including the Medal of Honor -- as well as French and Belgian awards for heroism. Audie Murphy became a famous actor after his military service, we older person can remember him.

One can tell the meaning of this medal to its recipients by observing moments in the presentation by Walt Schley.

The mission of the **Purple Heart** Service
Foundation is to enhance the quality of life
of **Purple Heart** recipients and other honorably
discharged veterans and their families. Should you
wish to donate to those recipients in need.

Walt Schley actively contributes his support.

# Kansas Society Color Guard Receives Recognition

The Kansas Society Color Guard was represented by Alan Martin, Dan Dryer, Larry Tatum, Dewey Fry and Jeff Winters in the Lenexa, KS 4<sup>th</sup> of July Parade. The large crowd that had assembled to view the annual parade were extremely appreciative of the Kansas Society's participation.

As the Color Guard approached, cheers were heard and the everyone in attendance stood, removed their hats, and placed their hands over their hearts. We were overwhelmed by the outstanding show of patriotism. Those that feel that patriotism has declined need to attend next year's parade. It will warm your heart.

The judges chose Sons of the American Revolution: Kansas Society Color Guard for the Special Judges' Choice Award in recognition of the group's dedication in honoring the flag and for celebrating the theme of Independence Day. They reminded all of us why we love our country and where we started from. When they came by, we all were so proud to share the American Flag and what it stands for ... Freedom.

Walt Schley presents The Distinguished Service Award to Larry Tatum

#### Military Order of the Purple Heart Distinguished Service Award

By Larry Tatum

I am totally surprised and undeserving of any award, especially one such as this. I have to confess that all that I have done is offer to help celebrate the Leavenworth, KS Veteran's Day Parade in any way possible to support our military veterans that have been awarded the Purple Heart Medal.

In the 2021 parade, I escorted Paul Rojas, who lied about his age to fight in Korea. Because he had served below the required age, he wasn't recognized as a veteran until General Colin Powell allowed these unsung heroes to gain the veteran status.

I escorted Keara Torkelson in the 2022 parade. Keara is an amazing veteran who was twice wounded, shot in the head and in her back, during the Fort Hood Terrorist Attack.

The ones that I drove in the parades should receive any and all honor for I was just providing transportation.

#### **Patriot Chest Status**
