The President's Corner

By Ken Ludwig

Happy 245th birthday to the good old USA!

That means that in 5 short years we will be celebrating the 250th birthday of this country.

I want to devote this month's article to talking a little bit about one of the ways that the SAR is planning on commemorating the 250th Anniversary of our country. The national society has developed a Special 250th Anniversary Medal that all compatriots are eligible to earn. This information was forwarded to me by Bobbie Hulse during his last months in office, and I am including the full text of

the program that he sent elsewhere in this newsletter, along with a list of events that will likely have commemorations over the next several years.

The basic information on this program is that you can earn Bronze, Silver, and Gold medals for various activities commemorating our 250th anniversary, for planning / participating in events that occur from 2014 to 2033. You earn extra points if you participate in uniform.

One of the events that count is Patriot Grave markings, which our chapter sponsored for Sarah Ruddle Davis in May of 2019. This means that many in our chapter who participated in this event are already well on their way to earning points for this medal.

In addition to this medal program, the America 250 SAR Committee has instituted a Patriot Sons & Daughters program, to mark the graves of the sons and daughters of patriots that may be buried in our community. Please see the article in the November 2020 Liberty Bell, written by our state trustee and chapter member Dennis Nelson for more information on this program.

As a chapter, we need to start discussions and planning for events that qualify for the above-mentioned programs. The next 5 years will go quick, and we need to work now to be prepared then.

Be safe in your enjoyment of the 4th!

Bruce Mathews

Mount Washington Cemetery Program

The program for the July 17, 2021, Delaware Crossing Chapter Meeting will be presented by Mr. Bruce Mathews, President of the Mount Washington Historical Society, and co-author of MOUNT WASHINGTON CEMETERY IN SEARCH OF LOST TIME. Mr. Mathews is a retired professional photographer turned author and historian in Kansas City.

Mr. Mathews has co-authored 5 books and solely authored 1 book on the history of Kansas City and places in it. He was awarded the prestigious **Kansas City Spirit Award** in 2011. Mount Washington Cemetery is in Independence, MO, and many of the Kansas City area pioneers are buried there. One of the interred is Dr. Isaac M. Ridge, the great-great grandfather of Tom Watson, the professional golfer, who wrote the Foreword in the book. Perhaps he should be called the Professional Sports Entertainer as he personally told Dewey Fry 21 years ago. With Mr. Mathews permission, a statement from the Foreword written by Tom Watson follows. *“Personally, I think often of my great-great grandfather Ridge and what he and Kansas City’s other men and women described and depicted in this wonderful book meant to our city’s heritage. And I hope you, after reading this book, will discover a new historical understanding of the people and their deeds who created the rich fabric of our beloved city.”*

You will have the opportunity to hear of some of these people in person at our chapter meeting.

You will have the opportunity to purchase a book at the chapter meeting or if you wish, make a donation. Checks can be written to the Mount Washington Cemetery

Historical Society a 501c3 Not for Profit. Or if you wish, you may purchase the book or make a donation online at the following link: <https://mwchs.org/>
Mr. Mathews will present the program free gratis and does not profit from book sales or donations.

President Ken Ludwig presents Steven Fry his Supplemental Certificate.

Steve French Receives Certificate for Supplemental Application

Steve received his certificate for the Supplemental Application for his Patriot Ancestor Jonathan Weir. Jonathan served in the Virginia Militia in Capt.

David Beatie's Company of Col. Campbell's Regiment.

The timing was good, for a Virginia Flag was presented to the chapter at the same June 2021 meeting.

Dr. James N. Leiker

Program by Dr. James N. Leiker

Those few members who attended the June 19, 2021 Chapter Meeting got to enjoy a very good program presented by Jim Leiker about the history of the Quindaro Settlement in what is northern Kansas City, KS. The in-depth research by Jim and his associate enlightened us in regard to the location and history of the Settlement, including the story of the Underground Railroad often referred to in regard to the slaves seeking freedom in the Kansas Territory. I, Dewey Fry, spent the first 24 years of my life in the KCK area and went to Washington High School just a few miles south of the Quindaro Ruins.

Mr. Lieker's presentation was totally verbal, but very captivating. It certainly did not need any visual aids.

To those who missed it, if you ever have the opportunity to hear the presentation by Mr. Leiker, who teaches at JOCO Community College, I advise you to seize the opportunity.

Dewey Fry presents Audrey Gainer her certificate.

Audrey Gainer's Poster Arrives Home

The 2020 NSSAR 2nd Place winning poster of Audrey Gainer of Pioneer Ridge Middle School was presented to her by Dewey Fry on May 15 at her home in Gardner, KS.

It was a long journey. Her poster won 1st Place in the Delaware Crossing Poster Contest in February 2020, the KSSAR Contest in March 2020. There was no Kansas Society Annual Conference in March 2020 due to COVID-19.

To be judged, Dewey Fry drove to Salina, Kansas with the only purpose being to deliver her poster to President Bobbie Hulse at a chapter meeting so it could be judged.

Posters are generally taken to the NSSAR Annual Congress to be judged; however, the 2020 Annual Congress was also cancelled. The alternative plan was to send, or take, it to NSSAR Headquarters in Louisville, KY to be judged, which was done. After judging, the poster was sent back to the state society; it was requested to be sent back to headquarters to be displayed in the museum which is traditionally done with the first three place winners. They generally are displayed from Annual Congress to the end of the school year.

On May 13, 2021, Audrey's poster arrived at my house, in the same packaging that it was mailed to the NSSAR.

However, there was no certificate, 2nd Place Ribbon or 2nd Place check with it. Dewey Fry was informed by NSSAR that all but the poster was sent to the State Society Secretary.

An exhaustive search was done at chapter, state, and national level to determine where they were. It was finally determined they check had been sent to Audrey in October 2020 and cleared in December. He father did not know it, but her mother checked records and determined that did indeed happen. No one could recall seeing the large ribbon of certificate, therefore new ones were made and sent to Dewey Fry.

It had been determined Audrey's poster had sat at NSSAR Headquarters in the mailing tubes and was never displayed. The 1st and 3rd Place posters were never sent back to headquarters. They would have never been displayed as headquarters was closed to the public due to COVID-19. Dewey Fry framed Audrey's poster so it could be displayed in the Gainer home, or wherever she wished to take it for show and tell.

In the end, Audrey was very happy to receive her poster back, the certificate, the ribbon and of course the \$175.00 check which was put into her education fund. So were her parents.

The Virginia flag is displayed by Dewey Fry.

New Flag Added to DX Collection

Past Delaware Crossing Chapter President, KSSAR President and South-Central District VPG Bob Capps presented the Delaware Crossing Chapter with a Virginia State Flag on a pole at the June 19, 2021, chapter meeting. He had purchased it for use during a visit to welcome President General Joe Dooley at the SCD Conference.

Bob as well as several others in the Delaware Crossing Chapter have patriot ancestors from Virginia. Thank you, Bob.

DAR places Patriots marker

Chad Frey. Butler County Times Gazette

Published May 31, 2021

The Susannah French Putney Chapter of the Daughters of the American Revolution (DAR) hosted a dedication of the “DAR America 250 Our Patriots Marker” at the Butler County Freedom Memorial. The event was sponsored by the Kansas Society Daughters of the American Revolution (KSDAR).

State Regent Susan Metzger and other KSDAR State Officers attended the dedication to celebrate the 250th Anniversary of the United States of America in dedicating Kansas' first “DAR America 250 Our Patriots Marker.” The marker was placed on the base of the replica Statue of Liberty located on the courthouse lawn.

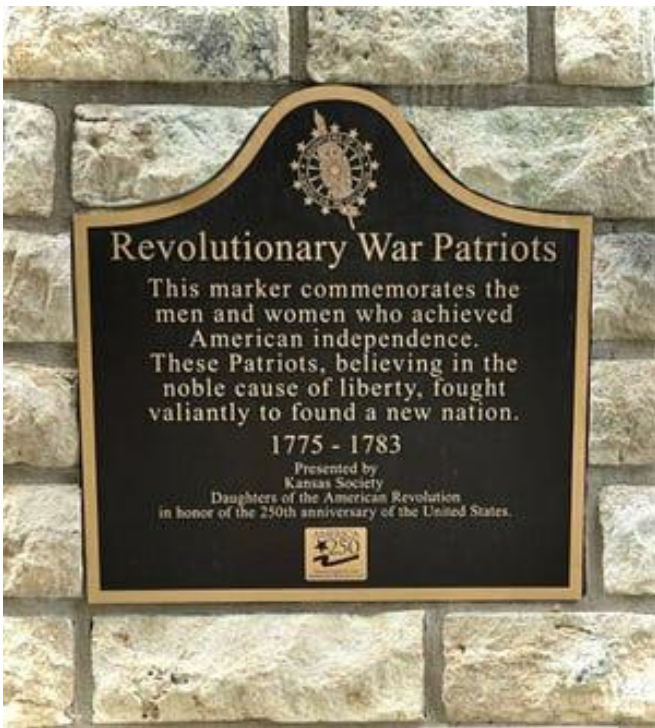

“The Butler County Freedom Memorial is a fitting home to our state’s first DAR America 250 Our Patriots marker,” said KSDAR State Regent Susan Metzger. “Through a variety of moving and historic plaques and statues, this memorial pays homage to the men and women who have served our nation since its founding. KSDAR is proud that

this DAR marker will now be a part of this memorial. My sincere appreciation is extended to Brad Cool and the Freedom Memorial Board for their support”

Cool and the Freedom Memorial Board helped the DAR organize the dedication and marker placement on the statue.

The statue is part of the Butler County Freedom Memorial and sits on the west side of the courthouse lawn while the memorial’s focal point, a large bronze eagle, resides on the east side and connecting the two are memorial sidewalks.

Due to pending rain, the ceremony was moved inside the Carlson Colonial and Kirby Morris Funeral Home. The

ceremony was opened by the Kansas Society Sons of the American Revolution color guard.

During the dedication ceremony, Metzger recognized the Celebration of Freedom Committee and honored them for their efforts in creating and maintaining the Freedom Memorial. Committee member Bill Mason accepted the award on behalf of the committee.

Metzger also recognized Boy Scout Gabriel Hamel and cited his Eagle Scout project that will be added to the statue base opposite the marker. Nancy Gordon Regent of the Susannah French Putney Chapter presented Hamel with the DAR Citizenship medal and award.

The DAR National Society’s goal is to raise awareness of the courage and sacrifice of the Patriots who won America’s independence through the “DAR America 250 Patriots Marker” by placing at least one marker in every state in advance, and in celebration of the nation’s upcoming 250th anniversary on July, .

According to the National Society, “The program has been established to honor the memory of the men and women with whom we have a sacred compact to ensure that these United States of America continue as a government of the people, by the people, for the people. It is also designed to raise appreciation amongst current and future generations of Americans of our Patriots’ sacrifice for their benefit.”

Earning the 250th Anniversary Medals – Bronze, Silver and Gold

The 250th Anniversary Medals (Bronze, Silver, and Gold) are part of a recognition program designed to encourage compatriots, chapters and societies to participate in **local, state, national and international events** which (1) **publicly educate**, and (2) **recognize, honor, and celebrate the events and heroes** of the **American Revolution**. A key emphasis of this program is that these events must be open to the public to educate them on the American Revolution and excite them about the 250th Anniversary of our Nation. A member can acquire points for participation in **events** that involves: (1) the **planning and execution** of these events, as well as (2) **attendance**. These **events** must be directly related to **“acts of resistance to British attempts to coerce the residents in America: from the first Parliamentary Acts protested after the conclusion of the French and Indian Wars, through the armed struggle of the American War for Independence, to the ratification of the Treaty of Paris by the Continental Congress.”** It covers any public celebrations/events from 2014 to 2033. SAR Members may be awarded the following Medals:

- a. Bronze Medal: 25 points as certified by your chapter president.
- b. Silver Medal: Compatriots who earn 60 points as certified by the State Awards Chairman.
- c. Gold Medal: Compatriots who earn 150 points as certified by the National 250th Anniversary Gold Medal Subcommittee chaired by Gary Gift. Send Gold Medal applications to 250AnniversaryRecognition@sar.org.

Points are acquired based on activity and level of involvement in the activity:

- a. Directing, chairing or co-chairing an event or sub-committee for the duration of the event. (20 points)
- b. Participation in the planning, financing, promotion or conduct of an event other than directing, chairing, or co-chairing an event. Those that do direct, chair or co-chair an event and also serve as a regular member of a committee or sub-committee in a non-leadership role, may also earn points. (10 points)
- c. Attending an event (3 points)
- d. Attending an event in Colonial attire (5 points)

For example, if a member chaired the planning committee for the Battle of King’s Mountain 240th Commemoration and attended the event in Colonial attire, then the member would earn 20 points + 3 points + 5 points for a total of 28 points for involvement in this one commemoration which would earn him the 250th Anniversary Bronze Medal.
